

BLOCK BEDBUGS® SOLUTION

BED BUG TREATMENT

ANTICIPATE INFESTATION BY BED BUGS

POWERFUL AND RESPONSIBLE REPELLENT

This treatment **reduces the risk of infestation by 92% within 15 minutes**. Bed bugs are repelled quickly and permanently.

BIO-BASED ACTIVE SUBSTANCES

Formulated with Eucalyptus Citriodora oil*, BLOCK BEDBUGS® is a **bio-based solution** that repels bed bugs (*Cimex lectularius*).

ECO-MICROENCAPSULATED TECHNOLOGY

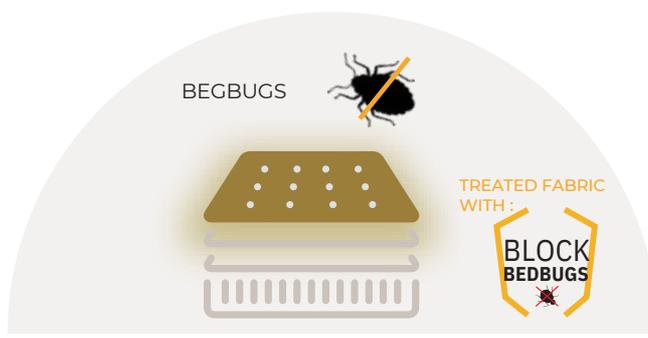

Benefiting from a **high-performance microencapsulated technology**. Validated by the IDEA dermatological laboratory, the BLOCK BEDBUGS® solution has proven its safety.

COMPLIANT & RESPONSIBLE

The BLOCK BEDBUGS® solution is a repellent. It **meets the criteria for the restriction of the use of insecticides** recommended by ANSES and the EGalim law.

Mechanism of action

The BLOCK BEDBUGS® solution converts the treated fabric into a powerful bed bug repellent.

Performance

This repellent solution offers an extremely high rate of effectiveness. The TEC Laboratory has evaluated the behaviour of bed bugs on BLOCK BEDBUGS® fabric. Its permanent action acts on two fundamental levels:

- Limits the infestation of bedding and mattresses by bed bugs
- Minimises the risk of bites.

RÉPULSIVITY RATE

92%

TIME TO ACT

15 min

BLOCK BEDBUGS® SOLUTION

BED BUG TREATMENT

Active treatment substances

Formula based on Eucalyptus Citriodora* oil.

BLOCK BEDBUGS® repels bed bugs (*Cimex lectularius*) and prevents the insects from becoming lodged in mattresses, bedding items, carpets, curtains and luggage.

**Biocidal active substance registered with the European authorities (ECHA: European Chemicals Agency)*

Regulations & Certifications

BLOCK BEDBUGS® technology is tested by the TEC laboratory in France. Tests prove the optimal efficacy of the plant-based protection on all textile substrates. BLOCK BEDBUGS® is OEKO-TEX® Standard 100 certified.

Application process

The BLOCK BEDBUGS® treatment makes textiles functional by giving them anti-vector and breathable properties. BLOCK BEDBUGS® fabric repels bedbugs for a long time : **100% effectiveness after 15 washes.**
